

Pattern Book , 2018-2021 – development of ongoing work.

Ongoing works -Factory 2017 - 2021

The only province that does not resist progress is grafting gone... Without effort,
no knowledge. Without a constant demand of respect, no progress... For what
moment is important? That of opportunity? That is most important function
in the development of ideas and progress which are today required to discover parts
of our knowledge. These knowledge, these ideas, are developments of progress.
